## Mr. Hunt's Reading Extravaganza Challenge # 28 :

### World Travel for the Cosmopolitan Reader

#### Multi-Cultural Books: vicarious experiences of various places

**Special Note:** for a few of the non-fiction books on this list, readers will probably browse and read smaller sections of greater interest rather than reading from cover to cover as they would with fiction; that is okay; some of the bigger, longer, harder-to-read books are on this list more to intrigue the mind...to be savoured in bits and chunks rather than devoured whole, if you wish (or, read every single word if you wish).

\*To complete this challenge you may want to get books from the public library as well as the school library...multiple kids may be working on these books and we don't always have multiple copies.

**YOU CAN READ THE BOOKS IN ANY ORDER**...you don't have to start at #1 and go down...

**If you complete this challenge, and get this form fully filled in, and get your parent/guardian's signature,** you will be able to come the Library to choose one free **REWARD BOOK** to keep for your own collection.

Students are allowed and encouraged to work on more than one Challenge...keep on reading!
