## Mr. Hunt's Reading Extravaganza Challenge # 39 :

### Much-Needed Panacea Books for Our Times, List A Celebrating Imagination and Creativity (taking a technology break)

***Special Note:*** *sometimes kids need to put the iPads and computers aside, or take some time away from structured activities, and just set their minds free, play make-believe games, or create some art—this list celebrates that **vital impulse**.*

\*To complete this challenge you may want to get books from the public library as well as the school library...multiple kids may be working on these books and we don't always have multiple copies.

**YOU CAN READ THE BOOKS IN ANY ORDER**...you don't have to start at #1 and go down...

**If you complete this challenge**, and get this form fully filled in, and get your parent/guardian's signature, you will be able to come the Library to choose one **free REWARD BOOK** to keep for your own collection.

Students are allowed and encouraged to work on more than one Challenge...keep on reading!
