## Mr. Hunt's Reading Extravaganza Challenge # 43 :

### Create-A-Creature-O-Rama!

#### A Mixed Beasts, Animal Adaptations, and Split-Page List

**Special Note:** books on this list either imagine wacky blends of animals (part bumblebee, part beaver = a bumblebeaver), or they highlight the weird and wonderful structural (body parts) and behavioural (ways they act) adaptations (or abilities) of strange and amazing animals.

\*To complete this challenge you may want to get books from the public library as well as the school library...multiple kids may be working on these books and we don't always have multiple copies.

**YOU CAN READ THE BOOKS IN ANY ORDER**...you don't have to start at #1 and go down...

**If you complete this challenge, and get this form fully filled in, and get your parent/guardian's signature**, you will be able to come the Library to choose one free **REWARD BOOK** to keep for your own collection.

Students are allowed and encouraged to work on more than one Challenge...keep on reading!

**Hot Tip:** if you like any particular book on this list, then do an author search on a library database—there will be more fabulous books by that author!
