Mr. Hunt's Reading Extravaganza Challenge # 45 :

Boys Are Like This; Girls Are Like That—OH, REALLY?

Breaking Down Barriers Put Up By Gender Roles Stereotypes

Special Note: There is still a lingering sense in our culture that some colours, toys, activities, behaviours, etc are only for boys, or only for girls. Can you play with a doll if you're a boy? Do girls play with Lego? Who can wear pink clothes? Can girls be rambunctious? Gender roles stereotypes can be so limiting for kids. These books question the value and usefulness of such limits.

*To complete this challenge you may want to get books from the public library as well as the school library...multiple kids may be working on these books and we don't always have multiple copies.

YOU CAN READ THE BOOKS IN ANY ORDER...you don't have to start at #1 and go down...

If you complete this challenge, and get this form fully filled in, and get your parent/guardian's signature, you will be able to come the Library to choose one free **REWARD BOOK** to keep for your own collection.

Students are allowed and encouraged to work on more than one Challenge...keep on reading!
