## Mr. Hunt's Reading Challenge # 23 :

### ***Fantastic Fact-O-Rama: Fascinating Non-fiction!***

#### ***Non-Fic List "D"***

***Special Note:*** often non-fiction readers will browse and read smaller sections of greater interest rather than reading from cover to cover as they would with fiction; that is okay; some the bigger, longer, harder-to-read books are on this list more for their inspiring beauty...to be savoured in bits and chunks rather than devoured whole, if you wish (or, read every single word if you wish).

\*To complete this challenge you may want to get books from the public library as well as the school library...multiple kids may be working on these books and we don't always have multiple copies.

**YOU CAN READ THE BOOKS IN ANY ORDER**...you don't have to start at #1 and go down...

***If you complete this challenge, and get this form fully filled in, and get your parent/guardian's signature,*** you will be able to come the Library to choose one free **REWARD BOOK** to keep for your own collection.

Students are allowed and encouraged to work on more than one Challenge...keep on reading!
