

MATH FACTS UPDATE

Dear Parents,

The mastery of basic math facts will greatly increase your child's success in Mathematics in the coming years. I am sending home some addition and subtraction sheets to practice the facts. Please feel free to photocopy these for extra home practice. **Ideally, students should practice the facts on regular basis, just as they do their reading.** Some families have been using math games or apps at home, while some use flashcards (which can be purchased at dollar stores) or practice sheets

Here are the goals we are working towards for the end of term.

Grade 2 - Term 1 Progress Levels

/30 questions in one minute

- 1 = Not Meeting Expectations
- 2 = Approaching Expectations
- 3 = Meeting Expectations
- 4 = Exceeding Expectations

Addition to 10

- 1 1-7 correct
- 2 8-12 correct
- 3 13-25 correct
- 4 26-30 correct

Subtraction from 10

- 1 1-3 correct
- 2 4-8 correct
- 3 9-20 correct
- 4 21-30 correct

Thank you for helping your child be successful in Math.

MATH FACTS UPDATE

- 3 13-25 correct
- 4 26-30 correct

Subtraction from 18

- 1 1-3 correct
- 2 4-8 correct
- 3 9-20 correct
- 4 21-30 correct

Thank you for helping your child be successful in Math.

MATH FACTS UPDATE

Dear Parents,

The mastery of basic Math facts will greatly increase your child's success in Mathematics in the coming years. We have been working on Math facts throughout the year and have worked on some tricks to help children learn the facts. I am sending home some addition and subtraction sheets to practice the facts with. Please feel free to photocopy them for extra home practice. **Ideally, students should be practicing the facts on a regular basis, just as they do with reading.**

Here are the goals we are working on for the end of the year.

Grade 2 - Term 3 Progress Levels

/30 questions in one minute

- 1 = Not Yet Meeting Expectations
- 2 = Approaching Expectations
- 3 = Meeting Expectations
- 4 = Exceeding Expectations

Addition to 18

- 1 1-10 correct
- 2 11-15 correct
- 3 16-25 correct
- 4 26-30 correct

Subtraction from 18

- 1 1-6 correct
- 2 7-11 correct
- 3 12-20 correct
- 4 21-30 correct

Thank you for helping your child be successful in Math.
