Sardis Elementary School Code of Conduct

At Sardis Elementary School we are dedicated to creating and maintaining a safe, caring, and orderly environment. This will allow each child to reach his or her potential, to experience the growth of responsibility and respect, to be a contributing citizen, and to be a lifelong learner.

Sardis Elementary School promotes the values expressed in the **BC Human Rights Code** respecting the rights of all individuals in accordance with the law, which prohibits discrimination based on race, colour, ancestry, place of origin, religion, marital status, family status, gender, physical or mental disability, sexual orientation, or gender identification/expression.

Conduct Application and Expectations

The Sardis Elementary School Code of Conduct applies to behavior at school, during school-related activities, and beyond these times (**including school bus and on-line behaviour**). It addresses anything that impacts on student learning and the safe, caring and orderly environment of the school.

These are the positive behaviours that we encourage all students to demonstrate, because they have a positive impact:

UNACCEPTABLE BEHAVIOURS

 - interfere with an orderly environment
 - create unsafe or unhealthy conditions
- Acts including, but not limited to:

Minor:

RESPECT vs. BULLYING

The community at Sardis Elementary School believes that all students, staff, and volunteers must be provided with a safe, secure and welcoming learning and working environment. To that end, acts of disrespect, bullying and harassment will not be tolerated.

Disrespect is the taking of dignity from another individual.

Bullying is an intentional action which causes emotional or physical distress.

Bullying may be **physical** (hitting, kicking, spitting), **verbal** (hurtful words, intimidation) or **social** (humiliating, excluding others).

CONSEQUENCES

Disciplinary action will be **preventative, educational, and restorative**. The goal for the student is:

- to take ownership for his/her choices
- to reflect on the options that could have been chosen
- to fix any damage that may have occurred, if possible
- to prevent the problem from recurring
- to have direct involvement so that the consequences are purposeful and meaningful

Consequences will increase with the frequency and severity of the misbehavior.

- warning
- community service
- loss of privilege
- "time out" in office
- parent contact
- conference with student and parent
- individualized instruction
- in-school suspension
- out of school suspension

Note: In cases of extreme behaviour (eg. violent or extremely disrespectful behaviour), the Principal may bypass increasing consequences and go directly to more serious consequences.

DRESS CODE

General:

All SD#33 Elementary school student clothing should be suitable for a school learning environment. Clothing and footwear should be comfortable and appropriate for students to participate safely in all school activities (PE, recess, lunch activities). Clothing should demonstrate a respect for the school community and the B.C. Human Rights Code. Any person dressed in an inappropriate manner will be advised personally and discretely and given an opportunity to meet the school dress guidelines.

Specific:

- All hats and toques are to be worn outside only.
- Items with coarse language, or any items depicting images of drugs, alcohol, sexuality or violence, are not permitted.
- Students need to ensure clothing appropriately covers themselves and all undergarments.

BICYCLES AND WHEELED OBJECTS:

STUDENTS AND PARENTS SHOULD WALK THEIR BICYCLES, SCOOTERS AND OTHER WHEELED ITEMS ON THE SCHOOL GROUNDS AT ALL TIMES (including bicycles, roller blades, scooters of any type, unicycles, etc.). This is for the safety of the children on our crowded property. Our school is located in a busy area, easily accessible to the public and subject to heavy traffic, and there are lots of small children around. Students who ride bicycles to school are also asked to use a good lock on their bicycles and attach them to the bike rack during the day. Bicycle helmet usage is mandatory, as per School Board Policy and the laws of British Columbia.

WORK HABITS AND STUDY SKILLS (Grades 4 – 5)

1. Students should be ready each day:

- supplies** (pencils, pens, books)
